22 APR 1971

MEMORANDUM FOR: Director of Communications

Mr. Gordon Stewart telephoned 21 April to advise that the IG paper on Information Management had drawn very strong criticism from Mr. Proctor who was insisting that some changes be incorporated. Mr. Stewart decided that he would solicit any other constructive suggestions which would help to make this document the best paper on the subject which the Agency could produce. He asked that we send to him any such suggestions which we felt should be incorporated.

John W. Coffey
Deputy Director
